Continuation of Substance of Interview including description of the general nature of what was discussed: A proposed amendment canceling the claim for priority at page 1 of the specification would not be entered because the amendment would raise new issues requiring further consideration and/or search. The effective filing date of claims 11 and 14-18 would change, and U.S. Patent No. 6,596,077 would become available as prior art against these claims under 35 U.S.C. 102(e), and the Zaccaro et al article would become available as prior art against these claims under 35 U.S.C. 102(a). With respect to Applicants' response after final rejection filed June 24, 2004, the declaration filed June 24, 2004 has been received and satisfies the requirement for a new oath or declaration set forth in section 1 of the final Office action mailed May 7, 2004. .
